WELCOME TO THE TEAM

October, 2022

Paul Chester Joins DentaQuest

Paul joins DentaQuest with almost two decades of experience in area management and insurance sales.

Prior to joining the company, Paul spent the last 15 years in the Medicare space as a broker - responsible for driving Medicare sales through partnerships, analyzing customer needs and providing product solutions.

Paul is a motivated team leader, driven to boost revenue through innovative management and sales techniques.

Paul is the individual product consultant handling broker support for all individual business. In his role as individual product consultant, Paul will be responsible for cultivating strong DentaQuest, DCPG and CDN broker relationships, driving client retention and optimizing new opportunities.
