It's Time You See the Benefits

DCPG partners with Avēsis Third Party Administrators, Inc. to offer Vision Care Plus (VCP) – a quality vision program available to groups of all sizes with plan benefits accessible through an extensive nationwide network offering over 53,000 points of access.

Strengths of the Vision Care Plus product include:

- Competitive rates
- Multi-year rate guarantees
- Low participation requirements:
 - Two enrollees for employer-sponsored plans
 - Five enrollees for voluntary plans
- Benefit frequencies based on plan year versus date of service
- Elective contact lens allowance is the same in-network and out-of-network
- Members can order contacts from any provider, including online retailers
- Lasik coverage offered
- Lens options, non-covered items and additional purchases are discounted up to 20% off retail
- Significant savings at point of purchase on contact lenses by applying a discount PRIOR to purchase (rather than after the allowance is met or not at all)

	National Average Retail Price (APR)	VCP Members Pay (in-network)
Vision Examination	\$75	\$10
Standard Progressive Lenses	\$150	\$70
