## Hearing Services

With your dental plan from The Dental Care Plus Group, you automatically receive access to our value-added hearing services program. Administered by EPIC Hearing Health Care, this program provides savings to you and your family on hearing devices, including name-brand hearing aids and batteries. All without having to pay premiums or file claims.

### How this works:

- Call (888) 899-1485 to speak with a hearing counselor who will assess your needs and refer you to a provider on EPIC's national network. You can also start the process by visiting [www.epichearing.com](http://www.epichearing.com).
- No membership card is needed. You will receive a booklet by mail that outlines the program, products and pricing.
- Your hearing counselor coordinates all referral paperwork so you can set up an appointment with an EPIC provider.\*

**\*Hearing screenings are not covered by EPIC as these services are generally covered by medical policies.**
