## Greater Cincinnati Network Access

*The Dental Care Plus Group's growing provider networks mean more viable plan design options for employers and increased access for their enrollees. We coordinate with our customers to offer a dental benefit plan to meet their network access needs — locally, regionally or nationally.\**

### Growing Provider Networks

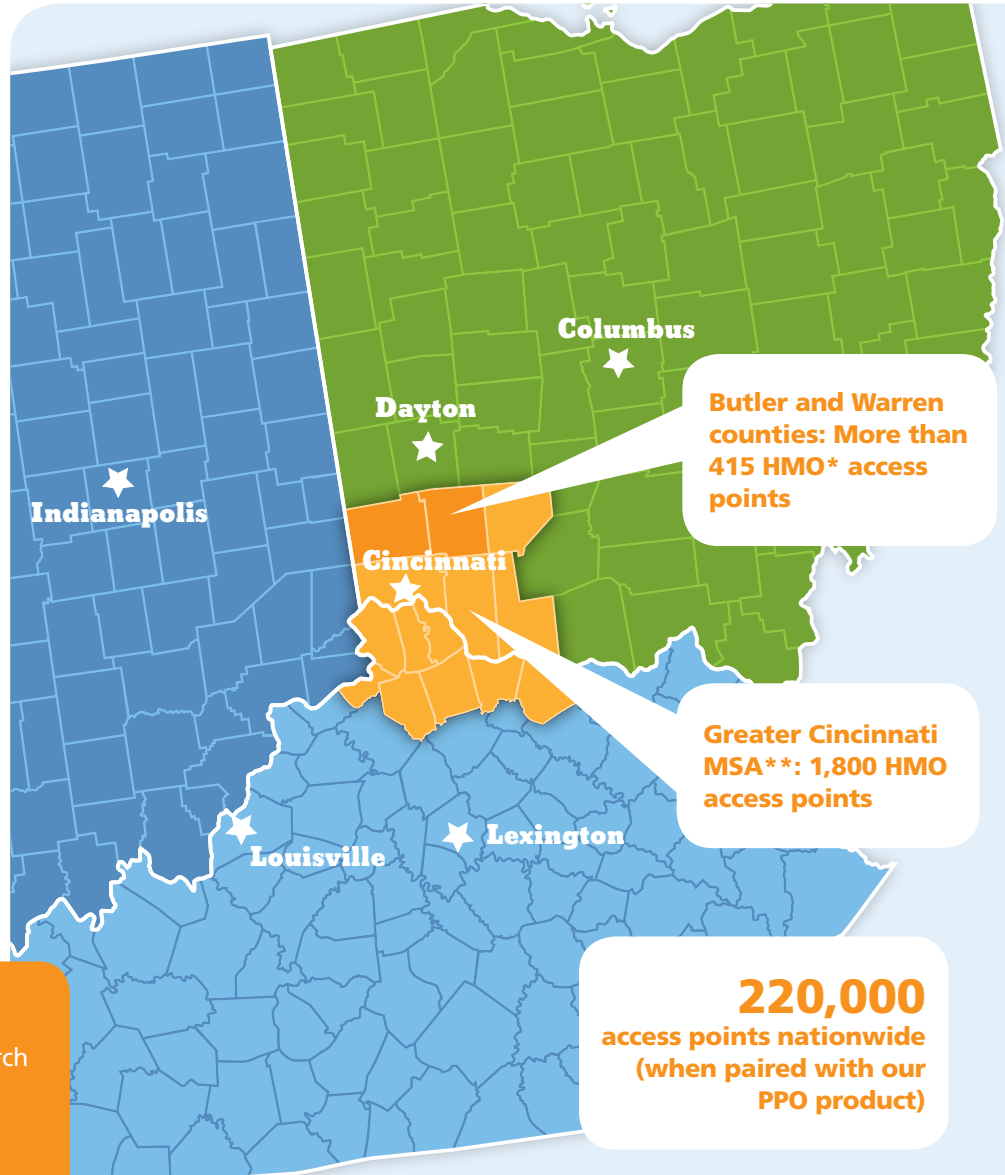

The Dental Care Plus Group (DCPG) offers a robust provider network in the Greater Cincinnati/Northern Kentucky area. Yet we remain committed to growing our provider networks, ensuring more options for members. We patiently recruit dentists to join our networks through consistent communication and follow-up.

### Network Access

DCPG's HMO network in Greater Cincinnati includes nearly 95 percent of all general dentists and specialists in the service area.

**For multi-sited groups** – our HMO product can be paired with our PPO product. PPO members have access to 220,000 provider access points across the nation. Enrollment is determined by the employee's county of residence.

**For employers that need choice** and are sited in our HMO market – we are able to pair the HMO product with our Indemnity product, providing ultimate flexibility. Employees can choose which plan to enroll in each year.

### Find a Dentist

Members can use our online tool to search for an in-network dentist by ZIP code, specialty or last name. It's as simple as visiting [fad.dentalcareplus.com](http://fad.dentalcareplus.com) then selecting the appropriate plan listed on the Member ID card.
