

Our Product Portfolio

With a portfolio of products to choose from and the ability to tailor plan designs, The Dental Care Plus Group (DCPG) is an ideal partner for your dental insurance needs. Our product offerings, combined with our dedicated account service teams and live customer care, means you can spend more time with your clients and no time at all worrying about the groups and individuals you place with us.

Available commercially and publicly, our dental options are ideal for groups and individuals – including those looking for plans in compliance with the Affordable Care Act. And our vision product helps round out your clients' ancillary needs.

Dental Products

Commercial Market

Traditional Group

Our PPO, HMO and Indemnity group products are available to employers headquartered in Ohio, Kentucky or Indiana. Strong local, regional and nationwide access to providers means these plans will meet the network access needs of your clients and their members.

EHB Certified Group (Ohio only)

This is an off-exchange solution for small groups (2-50 eligible employees) looking for pediatric dental plans that meet the requirements of Essential Health Benefit (EHB) #10.

Individual

Quality, affordable coverage for individuals and families, DCPG's individual plans are a good fit for every phase of life – including those who are self-employed, retired, on Medicare or aren't eligible for dental benefits through their employer. Individual plans are available to residents of Ohio, Kentucky and Indiana.

Public Market

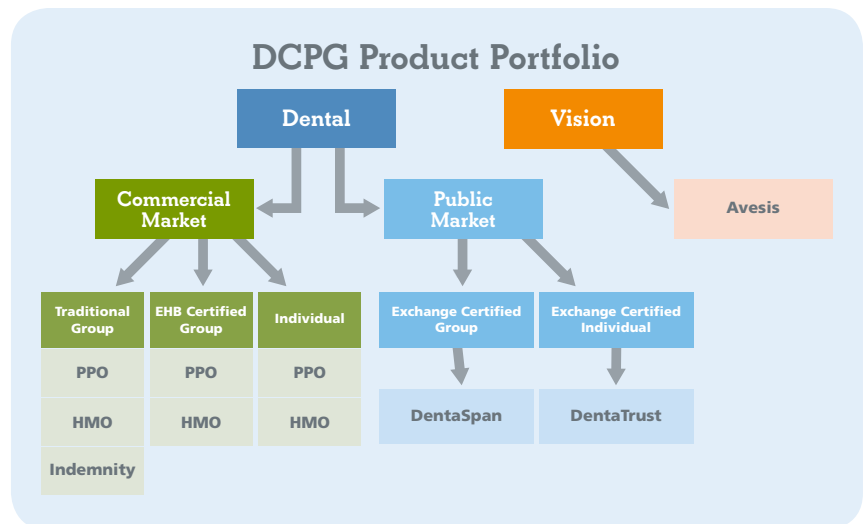

Exchange Certified

Our exchange certified plans meet the requirements of the Affordable Care Act. These products utilize an efficient network to control costs and are administered by a third party.

- DentaSpan is an economical option for groups interested in purchasing dental insurance.
- DentaTrust is available to individuals and families.

Vision Product

Our fully-insured vision product is offered in partnership with Avesis and is available to groups of all sizes.*
