

Value Added Programs

Each individual dental plan from The Dental Care Plus Group (DCPG) comes standard with access to our vision and hearing discount programs.* When your clients purchase an individual plan from DCPG, they are automatically enrolled in the discount programs. The programs provide substantial savings on vision and hearing needs without additional premiums to pay or claims to file.

Total Vision Services (TVS)

TVS offers substantial savings on the purchase of optical goods and services from reputable providers. Members will enjoy discounts on eyeglasses, contact lenses and many other items offered at retail.

Program highlights include:

- Discounts on frames, lenses and specialty items such as tints, scratch-resistant coatings and ultraviolet protection.
- No limit on the number of times discounts can be used during the year and no health restrictions.
- Savings of 10 to 30 percent on medical eye exams and surgical procedures including refractive surgery (for example, LASIK).
