The Dental Care Plus Group Promotes Maggie Irwin to Senior Sales Representative

(Cincinnati, Ohio, November 19, 2018) – The Dental Care Plus Group (DCPG), a leading provider of dental insurance, announces the promotion of Maggie Irwin to senior sales representative. Irwin is based in DCPG’s Louisville, Kentucky office.

During her five years as a sales representative with DCPG, Irwin has grown the company’s presence throughout Kentucky by focusing on new sales opportunities as well as securing new relationships. With her promotion to senior sales representative, Irwin will identify, implement and measure strategic sales initiatives to further the company’s reach. She will also mentor and assist with training path development for new sales reps.

“DCPG’s continued success in Kentucky can largely be attributed to Maggie and her focused, strategic sales efforts,” said Daniel Burghy, regional sales manager for DCPG. “She has established a strong reputation for DCPG throughout Kentucky. She is valued and well respected by her peers, colleagues as well as brokers and agents.”

Before joining DCPG in November of 2013 as a sales representative, Irwin worked for Neace Lukens as an account manager.

Irwin is a graduate of the University of Kentucky where she earned a bachelor’s degree in marketing and management. She holds her Life/Health Insurance License in Kentucky and Indiana. Irwin currently resides in Louisville, Kentucky.
