Greater Cincinnati Network Access

The Dental Care Plus Group's growing provider networks mean more viable plan design options for employers and increased access for their enrollees. We coordinate with our customers to offer a dental benefit plan to meet their network access needs — locally, regionally or nationally.

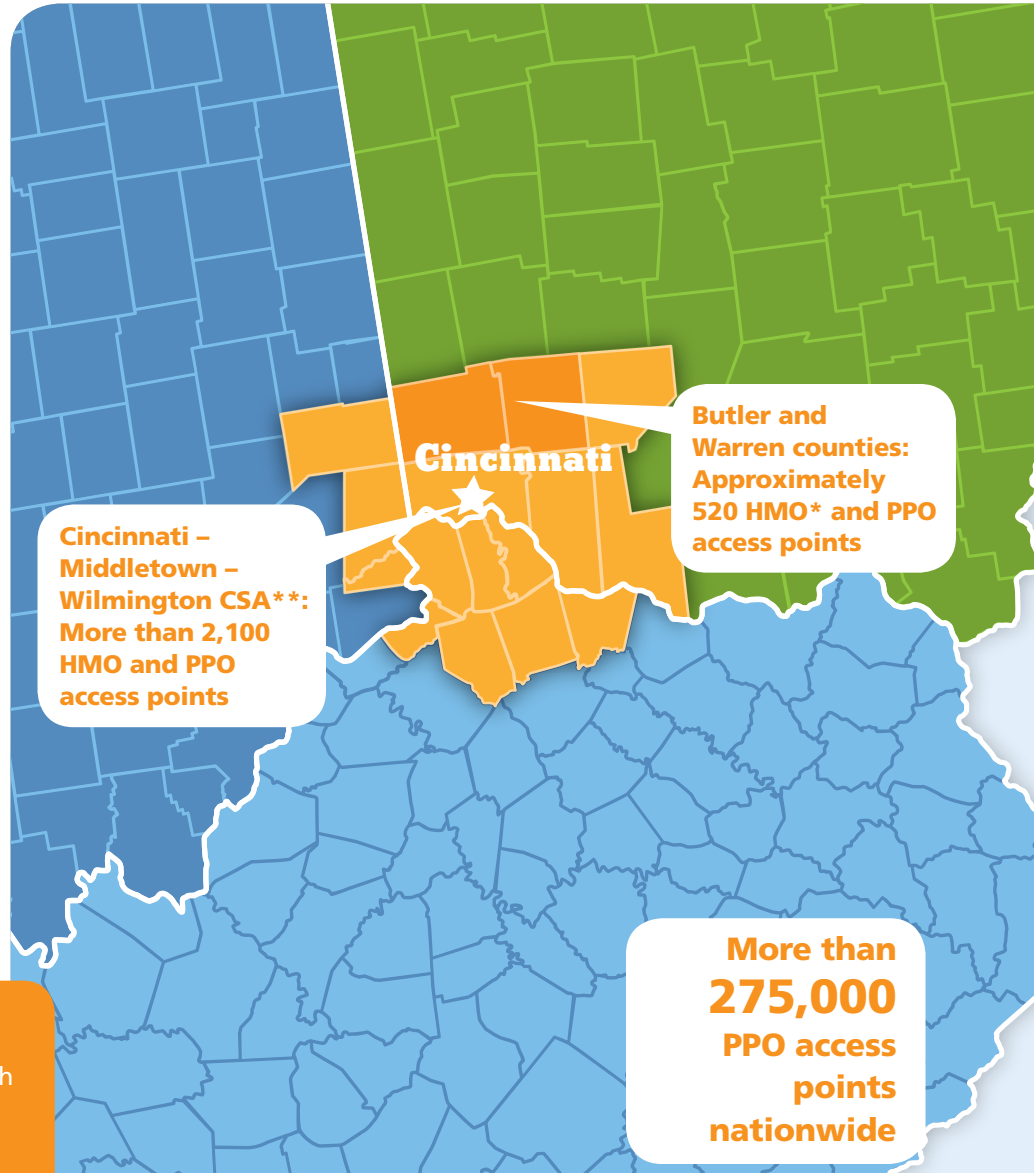

Growing Provider Networks

The Dental Care Plus Group (DCPG) offers a robust provider network in the Greater Cincinnati/Northern Kentucky area. Yet we remain committed to growing our provider networks, ensuring more options for members. We patiently recruit dentists to join our networks through consistent communication and follow-up.

Network Access

DCPG's networks are made up of more than 275,000 PPO access points nationwide as well as 95 percent of all practicing dentists in the Greater Cincinnati area. Multi-sited groups based in Greater Cincinnati/Northern Kentucky will find the PPO to be a solid option – giving employees, regardless of where they live, choice when it comes to selecting a dentist or specialist.

Our HMO is ideal for companies headquartered and operating in Greater Cincinnati/Northern Kentucky. The HMO offers a network of nearly 95 percent of all general dentists and specialists in the service area. So employees who live and work in the Greater Cincinnati area will not have a problem finding an in-network provider.
