

## Commissions

View and download available monthly dental commission statements for Group and Individual lines of business. Users must be granted access to commissions in order to view statements in the portal. If you require access, please reach out to your Account Manager.

Available commission statements will appear in the list. Commissions can be identified by the Statement Month/Year.

**View Statement:** Download your monthly commission statement into Excel.

**COMMISSIONS**  
View your most recent Commission statements.

Statement Month	
August 2020	<a href="#">View Statement</a>
July 2020	<a href="#">View Statement</a>
June 2020	<a href="#">View Statement</a>
May 2020	<a href="#">View Statement</a>
April 2020	<a href="#">View Statement</a>

If there aren't any available commissions statements for you to view at that time, the below message will be displayed on the Commissions page:

Currently there are no commission statements available to view or you need approval from your agency to access this information.

**TIP:** The first Commissions that will be available in the new Broker Portal will be for the month of February 2021. Commissions for prior dates will not be visible.
